Sinisiguro po namin sa inyo na ang makakalap naming datos ay mananatiling kompidensyal at ilalathala bilang pinagsama-samang mga datos, bilang pagsunod sa Data Privacy Act of 2012 (Republic Act No. 10173), at gagamitin lamang para sa research at pagsasagawa ng mga polisiya.

Hello! I am (NAME) from RLR Research & Analysis Inc. END OF SCREENER

Bilang parte ng Consumer Finance Survey, mayroong ilang katanungan tungkol sa inyong kalagayang pang-pinansyal. Dahil parte lamang ng kabuuang mga sambahayan sa bansa ang maisu-survey, ang inyong mga kasagutan ay lubhang mahalaga para ang resulta ng survey ay totooong mag-representa sa kalagayang pang-pinansyal ng mga sambahayang Pilipino. Dagdag pa rito, tulad ng nabanggit kanina, sa ilalim ng Section 7 ng Republic Act (RA) No. 11211 na nag-aamenda sa Section 23 ng RA No. 7653 (The New Central Bank Act), ang BSP ay awtorisado na manghingi mula sa sino mang tao o entidad ng anumang datos para sa mga layuning kaugnay ng pang-istatistikal at polisiyang pangkaunlaran.

Ang eksaktong halaga na naglalarawan sa inyong sitwasyon ay mako-konsiderang pinakamakabuluhang sagot. Ngunit, naiintindihan namin na hindi ito posible sa lahat ng pagkakataon – maaaring hindi mo alam ang eksaktong halaga, o kaya ikaw ay hindi komportable sa pagsagot. Dahil ang inyong mga kasagutan ay mahalaga sa pag-aaral na ito, ako ay pinahihintulatang mangalap ng estimate na halaga kapag walang mas hustong impormasyon. Huwag po kayong mag-atubiling kumonsulta sa sinumang nakakaalam, o kaya gumamit ng anumang record at tala habang ginaganap ang interview na ito. Kung mayroong katanungan na hindi kayo komportableng sagutin maaaring pakisabi lamang po sa amin at tayo ay magpapatuloy sa susunod na katanungan.

Bibigyan po namin kayo ng lapis at papel na maaari ninyong gamitin sa pag-tantya ng mga impormasyong pinansyal na aming hihingin sa inyo. **[IABOT ANG MGA PAPEL SA RESPONDENT]** Pagkatapos ng interview, maaari ninyong itabi o itapon ang mga papel na ito. Magtiwala na ang impormasyong ibabahagi ninyo sa amin ay pananatiliing kompidensyal at protektado.

Bago po tayo magsimula, nais kong ipaalam sa inyo na naka-record ang pag-uusap na ito para masiguro ang kalidad ng interview na ito. Maaari po lamang na pakipirmahan ang consent form na ito **[IABOT ANG CONSENT FORM]** kung sumasang-ayon kayo na sumagot nang may katapatan at kung tinatanggap ninyo at sumasang-ayon kayo na ang lahat ng makukuha namin sa survey na ito, kasama na ang lahat ng personal na impormasyon na ibibigay ninyo, ay kokolektahin, itatabi, gagamitin at ipo-proseso para sa aming pag-aaral. Muli, tinitiyak po namin na ang inyong personal na impormasyon ay pananatilihin naming ligtas at kompidensyal alinsunod sa mga data protection measures ng Data Privacy Act of 2012 (Republic Act No. 10173).

Maraming salamat po.

As part of the Consumer Finance Survey, there are questions about your financial situation. Since only a certain portion of the total households in the country will be surveyed, your answers are crucial for the survey results to truly represent the Filipino households' financial situation. In addition, as mentioned earlier, under Section 7 of Republic Act (RA) No. 11211 which amends Section 23 of RA No. 7653 (The New Central Bank Act), the BSP is authorized to require from any person or entity any data for statistical and policy development purposes.

The most useful answer is always having the exact amount that truly reflects your financial situation. However, we understand that this is not always possible – you may not have the exact figure, or you may not feel comfortable sharing such information. Given that your answers are so important to the study, I may collect estimated figures if no better information is available. You may also consult with any knowledgeable person or use any records and notes at any time during the interview. If there are certain questions which you are not comfortable to answer, just please let us know so we can proceed to the next question.

PROJECT AMITY (TAGALOG)

We will give you a pen and some loose sheets which you may use in the computation of financial information that we will ask from you. **[HAND LOOSE SHEETS TO THE RESPONDENT]** At the end of the interview, you may opt to retain the loose sheets or discard the same. Rest assured that the information you will provide will be kept strictly confidential and protected.

Before we begin, please be informed that this conversation is being recorded for quality assurance purposes. Kindly sign on this consent form **[HAND CONSENT FORM TO THE RESPONDENT]** if you agree to respond with truthfulness and if you acknowledge and agree the data that we will collect from this survey, including all personal information you provide, shall be collected, stored, used and processed for research purposes. Once again, we would like to assure you that we will keep your personal information secured and confidential in compliance with the data protection measures under the Data Privacy Act of 2012 (Republic Act No. 10173).

Thank you very much.
